We also will not allow entries to rev an engine causing excessive noise, which may cause alarm to spectators. Additionally, any individual motorcycles attempting to do a “burn out” during the parade will be immediately discharged from the parade. Any unit that disregards this rule will be banned from future parades.
- Each person participating in the parade must sign the waiver form, with a parent/guardian signing for participants under the age of 18.
- Consumption of or possession of alcohol, drugs and/or firearms (other than arms required by authorized peace officers and military personnel) is prohibited during the parade participation. Possession of such items may subject the entire entry group to disqualification.

VIOLATIONS OF THIS RULE MAY RESULT IN BEING BANNED FROM FUTURE PARADES.** If you have items to give out (i.e. candy, literature, etc.), participants walking with the unit must move to the crowd to hand out these items. Any unit that slows the pace of the parade by handing out large items (shirts, food, etc) may be banned from future parades. Spectators must be discouraged from entering the parade route for the safety of all.
